Okay ...Who: to local Ham related comapany
 what, why: they claim that they replace the part, but it just like what
I had on before..... even have a same scratch
where: on the air....using radio....

tatsuya@sofya.math.byu.edu writes:

>They were supposed to return the rig to me w/ New BNC.
>The rig I received had the some prob. that I had before, I could not get tight
>connection to an antenna.
>So, I said that they seem not to change the BNC and charge a part for it...

>that's all I said...
>when I call them back the very next business day, they are mad... 'cause using
>public air to accuse someone....

Did they do the job or not? If not, continue to state your case, and let other
hams on the air know about their harrassment.
